

ALGONAC COMMUNITY SCHOOLS

From the Office of the Interim Superintendent

To whom it may concern,

On rare occasions school districts are fortunate enough to employ an individual that has the talent, ambition, and professional characteristics to positively impact the lives of students, peers, and the community. The Algonac Community School System is blessed to have found one of those extraordinary women in having the privilege of employing Mrs. Rachelle Wynkoop.

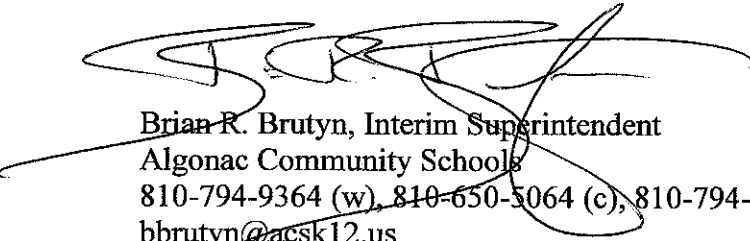

Throughout the past twelve years of interacting with Mrs. Wynkoop as a peer, colleague, and administrator, she has continuously impressed me with her talents and passion for education. She excels in the areas of technology integration, blended learning, curricular leadership, public communication, and engaging various stakeholders.

As a deserving recipient of the MACUL honor, I have found that Rachelle frequently demonstrates the knowledge, skills, and character traits necessary to be worthy of such a designation. Rachelle has been an instrumental part of the development, sustainment, and success of the multiple technology initiatives implemented within our school system. She maintains herself as our resident expert/leader on all facets on technology integration including blended learning, I-Pad classroom integration (*and trouble shooting*), pure virtual learning, Google Drive, Moodle, Twitter, and countless others. In addition, she voluntarily maintains a blog intended to sustain on-going technology related professional development; and serves as a blended learning instructor for the REMC Association of Michigan (*with many positive reviews from local and regional administrators*).

Rachelle executes all of the aforementioned traits/skills while also serving as the Media Specialist for Algonac High School, IB Diploma Coordinator, TOK Instructor, Extended Essay Supervisor, CAS Coordinator, and NHS advisor. The ability to perform at high levels in all of the roles simultaneously proves her extraordinary work ethic, intellectual capabilities, and value to our district.

It is with the utmost respect that I recommend Mrs. Rachelle Wynkoop as a recipient of your award. Her talents and dedication to the profession make her deserving of recognition as she truly has a lasting impact on multiple stakeholders. I look forward to the opportunity to verbally confirm (*and enhance*) the recommendation given in this letter.

With Respect,

Brian R. Brutyn, Interim Superintendent
Algonac Community Schools
